

Mission = To be a family that goes! (Matthew 28:18-20)

Since Jesus Christ has been given all authority in heaven and on earth, we are to fully submit to His authority as believers, which also includes the command of the Great Commission.

Our mission as part of the universal church, is to be a family that makes this command a conviction of ours rather than an opinion of ours.

Vision = Our family exists to saturate the Spring Branch community and the world around us with the truth of the Gospel, by producing multicultural, multigenerational disciples to go out on mission for the Lord. (Habakkuk 2:14; Psalm 96:3)

Since our church is located in the East Spring Branch community, it only makes sense that we as a church family cultivate relationships within our local community, so that the truth of the Gospel is seen through us.

But the vision doesn't stop there, as we want to be a family that produces God fearing, sold out believers of every culture and age, who take the truth of the Gospel to their very own unique mission field.

Family Values = (How will we accomplish our vision?)

L: Living with an eternal perspective

We want to live a life of urgency that affects our priorities and our actions, because what happens here on earth will ultimately affect someone's eternity. (Colossians 3:1)

P: Putting God First

We want to become increasingly dependent on God in every aspect of our lives, so that we are not relying on our resources, but the endless resources of the Lord. (Matthew 6:33)

B: Becoming imitators of Christ

We want to strive to think, speak, and act the same way Christ lived on earth, till the day we go home or till the day He comes and gets us. (Ephesians 5:1-2)

C: Connecting with our community

We want our hearts to break for those who are in need, so that a movement of God happens in our community. (Matthew 25:35-36)
